No longer will the clicking of the telegraph machines be heard in the local depot. All the wires were taken out this week. The block system now in operation by the Company does away with the telegraph. The Western Union has also taken out its machine and has no agency here, so the strike of the operators does not affect this place in the least.

There was an excursion here last Monday from San Francisco to the Coleman tract. Twenty three lots were sold. This was a phenominal sale considering that the tract has just been placed on the market and has not as yet been advertised to any great extent. The lots are 100x209 and the price is from $1500 to $2500. This is a choice location and no doubt the lots will all be sold in a few months.

Brother Bernard's lecture this evening is attracting much attention. The subject, Eastern Rambles, is interesting to everyone. Brother Bernard knows all about Egypt and the Holy Land. He spent several years in Cairo where he presided over the Christain Brothers' College, one of the largest institutions of learning in the East. Two years ago Brother Bernard was appointed to the Chair of Philosophy in St. Mary's College in Oakland. Through the kindness of his superior the learned gentleman is permitted to lecture for the benefit of the Nativity Church Fair. The lecture will be illustrated with stereoptican views. Admission 50 cents. Children not accompanied by their parents will not be admitted.

Thirty--two ladies and as many gentlemen gathered by invitation last Wednesday eening in the beautifully decorated rooms of the Presbyterian parsonag for a most delightful social evening. The whole affair was planned and carried out under the direction of Mrs. Geo. Cross whose untiring efforts to make it a success are worthy oof commendation. We have spent more than $900 and the end is not yet. I have delayed making any statement in regard to the matter until I could make one which would be complete and crorect. In the mean time I wish to thank the many friends who have so generously aided in making the undertaking so successful. MacBain Favors Good Roads

Supervisor MacBain is making great efforts to improve the roads in his district and to that end has formed a special road district which he will endeavor to bond for $100,000 to make good macadamized roads. The boundary of the proposed district is as follows, form the township line at Redwood City to the San Francisquito creek and from the Bay to the Folger place at Woodside. The roads to be macadamized are the Middlefield, Main County road, Woodside road from Five Points, and Santa Cruz Avenue to a distance beyond the J. Henry Meyer place. The petition to the Supervisors to have the bond election is being circulated by Wm. Hooper and W. J. Murray and every where they are received with enthusiasm they have met several hundred taxpayers and only one of that number refused to sign the petition. Four hundred and sixty signatures are required and these will be secured very readily. The amount of funds received from the District is not sufficient to build macadamized roads.

SUPERVISORS IN SESSION

Citizens Enter Protest Against Saloons

ALL BRIDGES TO BE INSPECTED

San Mateo and Santa Clara County Solons to Confer on Seventeenth

The Supervisors met in regular session Monday. A full board was present.

This being the time for action to be taken on the new applications for liquor licenses the matter was taken up by the board. A protest was read from Martha AHalladie, against the petition of Harry M. Hallett, who desires to conduct a saloon at Portola. She owns considerable property there and thought the saloon would be a menace to the community. A petition was also read from the citizens of Portola to grant the license saying that the applicant was a peaceable citizen and would conduct a proper resort. As no one was present to represent either petition on motion of Debenedetti seconded by MacBain the matter was deferred until the next meeting of the board.

A lengthy petition was read, signed by the people of Menlo Park, protesting against the granting of a liquor license to Thomas S. Harrington who desired to conduct a saloon in the Harrington Building, Menlo Park. On motion of MacBain seconded by Blackburn the matter was laid over for one month.

The following petition was read against the granting of a license to Antone Bennett to conduct a saloon at Pigeon Point:—

To the Honorable the Board of Supervisors of San Mateo County, Cal.: We, the undersigned residents of Pigeon Point school district, San Mateo county, Cal., would respectfully petition your honorable body that you use your influence and votes against granting a liquor license to Antone Bennett for the sale of intoxicating liquors. Said place of business is to be located near the Pigeon Point school, and for that reason your petitioners would urge you not to grant the license.

(Signed): G. H. Steele, F. N. Steele, O. N. Steele, J. F. Steele, E. F. Gayetty, L. Coburn, M. J. Primetell, A. Davis, Joe Pimentell, John C. Fynn, C. E. Steele, N. E. Dickerman, Edwin Dickerman, Ella S. Brown, P. Cattani, Edwin F. Gunter, C. E. Reid.

Hall C. Ross represented the petitioners and called George, Fred and Charles Steele, two of whom are trustees of the school ditrict in whsich the saloon is to be located. They said the proposed resort would be within 600 feet of the school house and this might have an evil influence upon the children. They strongly urged that the petitionbe denied. Mr. Ross also made a strong plea to the Board Supervisor Blackburn saw no legal objection to the application. He said Mr. Bennett would conduct the saloon in a lawful manner. He recited the fact that there were three saloons on corners adjacent to the Redwood City school. On his motion seconded by Debenedetti the application was granted.

The following applications for liquor licenses were granted, all of which were for saloons excepting those noted.

ON TOUR OF INSPECTION

Mr. H. S. White, representing the White Machinery Company of San Francisco, in company with Mr. A. L. Whitney of the Leslie Salt Co., was a local visitor last Wednesday. Mr. White came to inspect our water facilities with a view of locating his machine works here if he found conditions favorable. They were met by Messrs. Guy P. Hull and F. H. Thorpe of the Board of Trade and with Messrs. V. V. Greco and G. L. Liguori as guides were taken to the mouth of the creek in a launch. The party landed at a couple of points to give Mr. White some idea of the nature of inarsh soil. Mr. White expressed himself as well satisfied as to our water facilities but that rail connection was absolutely essential so far as the establishment of his works here were concerned, and told Mr. Whitney he could not see his way clear to entertain any proposition to buy land of the Stauffer Chemical Company until they had arranged for rail connections. The plant in which Mr. White is interested is engaged in the manufacture of all kinds of machinery and is at present located at San Francisco It has a working force of over 125 men which it would increase should they locate here. The present location of its plant has been acquired by the Western Pacific which will require possession next year so Mr. White is anxious to secure a permanent location and begin the work of removal. It is to be hoped the works will be brought here as it would add another industry to the community and a number of high-class, well paid mechanics.

Making Light of a Heavy Washday

This highly improved HORTON Washer will take all the strain of washday off your back and shoulders. While you turn it slowly and easily—without stooping—the HORTON high-speed gear does the work by forcing a hot blast of suds through and through the clothes under a pressure that takes all the dirt out quickly.

You will never realize how easy your washday might be until you have examined this new-idea washer. You will be surprised to find that no matter how slowly you turn the handle the working part of the washer is going at high speed and putting washday behind it almost as fast as you run the clothes through the wringer.

Will you investigate this for yourself? Just step into a good hardware or general store and ask to see the

CURE YOUR KIDNEYS

Do Not Endanger Life When a Redwood City Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalid, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Redwood City testimony:

S. J. Horn, living at Del Monte Hotel, Redwood City, Cal., says: "I wish to emphatically state that Doan's Kidney Pills absolutely cured me of kidney trouble. At the time I began their use, I was suffering from a weakness of the kidneys accompanied by severe backaches. I tried many remedies none of which gave me any relief. Finally I saw Doan's Kidney Pills highly recommended, and they gave me relief from the first. I continued taking them carefully and strictly according to directions, and they banished the weakness of the kidneys and since that time my strength and ambition has returned. I am now feeling fine and am glad to recommend Doan's Kidney Pills to others."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name - Doan's, and take no other.
